

United States Department of State

Washington, D.C. 20520

NOV 27 2001

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement with the United Kingdom.

The transaction described in the attached certification involves the transfer of technical data and assistance in the manufacture of the AMRAAM Target Detection Device (TDD or fuze) for return to the United States.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in cursive script, reading "Paul V. Kelly".

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. 139-01

The Honorable
J. Dennis Hastert, Speaker,
House of Representatives.
